

Date : 2nd June 2021

Bibin Biju

Day -7

❖ Day-7 : What we have learnt ?

- In today's session we created project and app.
- After that we run our server and make migrations.
- And we added urls to the url.py files.

This Internship is Task Based Internship. So at the end of this session we got one Task.

Github Task-7 Link :-

https://github.com/Bibinbiju9873/Internship-AkashTechnoLabs/tree/main/Tasks/Day-7/hello_world

Task :- Print Hello_World using basic Django.

Output :-

Day_7
